Subject: Letter of Recommendation

To may it may concern

It is great pleasure to write in reference to **Abdullah Ahmed Abdullrashid** during his period as a student in **Radiological Sciences** program at **Al-Ghad International Colleges for Applied Medical Sciences**.

During that time, I witnessed his tremendous growth and development. This development came not only in the area of learning, but in maturity and character as well. He has got a valuable trait of humbleness and enjoyed the opportunity to learn from his senior peers and his professors. he is committed, precise and hard working.

I recommend **Abdullah** with absolute confidence. He has made me proud, as his teacher, and I am sure that he will continue to do so as he grows in any high education program and beyond.

Thank you for the opportunity of correspondence,

Sincerely,

Dr. Salah Aloub
