

To Whom It May Concern

It gives me immense pleasure in writing this letter of recommendation for Ms. Najwa Mousa Alzahrani who was a student at radiology department, College of Applied Medical Science, King Saud University.

She has been a tremendous student. She has shown that she was capable of cooperative teamwork.

In addition, Ms. Najwa has good interpersonal skills and she possesses a pleasant personality and her relationship with her colleagues is very good.

I recommend Ms. Najwa to the graduate program in your esteemed university.

Sincerely,
