

TO WHOM IT MAY CONCERN

It is with great confidence that I write this letter to recommend

Ms. NAJWA MOUSA ALZHRANI who was a CT technologist at radiology department, king salman hospital.

she has shown great interest to the field of radiological sciences and applied medical sciences with a great motivation to succeed in whatever she pursues and has also shown a capacity for both being punctual and persistent.

On personal level, I have found Ms. ALZHRANI as an extremely nice person that is easy to communicate with, and who has a friendly and very courteous.

Based upon my observation, I am confident that Ms.ALZHRANI will be a good candidate in your program based on her solid basic knowledge and practical experience.
