

To whom it may concern

I have known Ghadeer for the last seven months, as she is working with me at human resource department at our company Interactive Smart Communications. I have been consistently impressed by Ghadeer's performance toward her job.

Her interpersonal and communication skills have allowed her to develop productive working relationships with our staff. She also has the analytical skills to diagnose problems and advice solutions.

She is very well organized and keep track of all the necessary details. She is very flexible and willing to work on any project that is assigned to her.

I am glad to recommend Ghadeer for admission to postgraduate studies.

Sincerely,

Mushabab Abuawah

HR manager

To whom it may concern,

I am writing to recommend Ghadeer. she worked with us at Interactive smart communication as a telesales agent for a year and a half in the sales department.

Ghadeer has excelled in this role, achieving one of the highest levels of sales targets during his tenure as a sales agent with the company.

Ghadeer produces a high volume of work while consistently maintaining high standards for quality and accuracy, her upbeat personality and engaging personal style enable her to interact effectively with clients and staff.

She is diligent in her work, a quick learner, a hard worker, flexible, and intelligent with high ambitions and goals to reach the top.

I volunteered to write this recommendation for Ghadeer because I am very grateful for her contributions to our department and confident that she has the intelligence, eagerness to learn, and communications skills to complete her higher education.

Best Regards,

Norah Al-Kanhal

Telesales supervisor

Dear sir\madam,

I am Ghadeer Raed Daod, graduate of psychology from Imam Mohammed bin Saud University in Riyadh -Saudi Arabia.

I have acquired a GPA 4.52 out of 5 with second class honours, it was one of my dreams to get an honours degree and graduate with distinction, and I worked hard and sought a lot to achieve this dream,

I faced many challenges, but I was able to overcome them, I loved psychology & I always was reading about this major, I have a hobby of love helping others by listening to them and giving them positive energy and optimism about life, I saw myself in this specialty and was very excited to study it and learn more and more about it. Psychology is a great specialty that benefits us in all matters of Personal and practical lives. I am happy and proud of myself that I have studied and learned a lot about this major, which has benefited me in my life. I have achieved my dream of obtaining an honours degree and graduating with distinction.

I now desire to fulfill one of my dreams by completing my postgraduate studies at your esteemed university to be able to benefit my community, myself, my family, my children in the future, friends & everyone who needs help.

I worked for year and a half at one of the major telecom companies as a tele sales agent and proudly I was always achieving the target, after one year of working at the tele sales department, I was promoted to the human resources department & now I am human resource specialist.

I always strive to get the highest grades to achieve my goals & ambitions, which made me excited to complete my postgraduate studies.

I am very much interested in perusing my education toward master's degree in psychology.

I seek your kind assistants and acceptance in your reputed university.

Respectfully yours,

Ghadeer Raed Daod.
