

**Reference Letter for
*Abdulhamid Naif Alolaywi***

To Whom It May Concern!

This is my pleasure to write a reference letter for Mr. Abdulhamid Naif Alolaywi who I have known for about 2 years. Abdulhamid was my student in Applied Macroeconomics and International Trade courses at Algoma University, Canada. My students require to perform in the classroom with quizzes, presentation and in-class assignments, and they also submit individual and group assignments. I, therefore, come in a close contact with my student, Abdulhamid performed well in both individual and group assignments in all his courses with me. I understand that he is punctual, able to work under pressure and complete his works within the deadline. Abdulhamid possesses very good communication and interpersonal skills.

Abdulhamid is sincere, hardworking and patient. He maintains a good relationship with his classmates, group members, and his professors. I am happy to know that he is planning to pursue higher studies after the completion of his degree in BA in Finance and Economics. I am sure that he is well capable of pursuing masters in his field. I strongly recommend Abdulhamid Naif Alolaywi for admission and scholarship (if any) he applies for.

I will be pleased to answer any additional questions you may have.

Thank you,

(**Dr. Nusrate Aziz**)
Assistant Professor
Department of Finance and Economics
Algoma University
