### To whom it may concern

With pleasure, I bring my high recommendation of Maram Owaidah Moala Alharbi, who is seeking acceptance for graduate studies.

Maram Alharbi was one of my students at the department of English and Translation at College of Sciences and Arts, Al-Asyah province, Qassim University, Saudi Arabia. Regarding her academic qualifications, she got her B.A. degree in English and Translation and is highly recommended to pursue her higher studies as she demonstrated unique and excellent skills in all of her courses. Her unique aptitude for learning has culminated in excellent results and an outstanding GPA. She had also demonstrated distinguishing potentials in soft skills like reading, and listening, besides discussing thoroughly controversial issues in her field.

In view of her intellectual abilities and genuine motivation, I recommend Maram Alharbi confidently for the M.A and Ph.D program.

Please feel free to contact me for more information.

Cordially,

Dr. Rabab Ahmed Amin
