To whom it may concern,

This letter is to serve as a formal recommendation for **Mrs. Maram Owaidah Moala Alharbi** who has been a student for the past years at College of Sciences and Arts Al-Asyah, Qassim University, Kingdom of Saudi Arabia. I testify that I have taught her at this university.

Mrs. Maram Owaidah Moala Alharbi has shown that she has excellent research capabilities with scientific thinking and analysis. I believe she will be an outstanding candidate for future studies in higher education. I thoroughly recommend her to be given a chance to pursue her M.A and Ph.D. programs.
