

Your study abroad adventure starts here

Congratulations!

I'm delighted to offer you a place at INTO Manchester in partnership with The University of Manchester on one of our university preparation courses. Your application showed us that you have what it takes to succeed and we're excited to welcome you to study here in the UK.

To secure your place, please accept your offer as soon as possible.

How to accept your offer

This letter includes important information about your offer. Please read through these details carefully and make sure that you sign all the relevant sections. To help you, we've included a checklist on the next page.

What happens next?

Once you've accepted your offer, we'll be in touch to help you to get ready for your arrival in the UK. Our support team will help you every step of the way, including:

- Help you to apply for your visa
- Meet you at the airport when you arrive in the UK
- Organise events for you to meet other international students

Once again, thank you for choosing INTO Manchester and The University of Manchester. I look forward to welcoming you on campus soon!

Dawn Abbott, Centre Director
INTO Manchester

Your checklist

Follow the steps below to secure your place and make sure you're ready to start studying here in the UK.

How to accept your offer

-  **Complete the enclosed acceptance form** – don't forget to tick all the relevant boxes and sign the form.
-  **Get your parent or guardian to complete the Under 18 form** – if you are under 18, your parent or guardian must complete forms 1,2 and 3 before we can confirm your place.
-  **Send all additional information needed to confirm your offer** – make sure that you read the Additional Information to Confirm section included in this offer letter and provide all the information and documents listed.
-  **Make your initial payment or send us your sponsor letter** – use the link on the following page to pay by credit card, debit card or bank transfer through INTO Pay, our secure online payment system.

Next steps

-  **Check if you need to take a Secure English Language Test (SELT)** – the UK Government website explains what you need to prove your English language knowledge and where you can book a test: www.gov.uk/student-visa/knowledge-of-english
-  **Check if you need a tuberculosis (TB) test** – the UK Government website explains if you need to get a TB test and also where you can book it: www.gov.uk/tb-test-visa
-  **Apply for your visa** – if you need a visa, we'll help you with everything you need to do to apply. 98% of our students are successful in obtaining their visa.
-  **Confirm your accommodation** – by confirming your place now you can secure your room in student accommodation too. So you'll know where your home will be when you arrive in the UK.
-  **Attend a virtual pre-departure event** – a great opportunity for you to ask any questions alongside your new classmates. View our upcoming events and book your place here: go.intostudy.com/uk-digital-events

Top Tip

Apply for your visa early to avoid delays. You can apply for your visa as soon as you receive your Confirmation of Acceptance for Studies (CAS). We'll issue your CAS up to 3 months before your course start date as long as you have confirmed your place and met any conditions listed on your offer.

Conditions:

You must obtain IELTS 5.5 (or equivalent) with at least 5.5 in writing and no less than 4.0 in all other subskills. Please note that you will need to have taken a UKVI SELT for a Student visa. For more information see: www.intostudy.com/ielts-ukvi

Condition 2: Completion of Certificate of General Secondary Education with average grade of 85% or above, with 85% in Maths and Physics

BEng (Hons) Mechanical Engineering

Location: The University of Manchester

Progression Length: 3 Years JACS Code: H300

Progression requirements can be found at: <https://into.courses/uom-progression-requirements>

The entry criteria for progression onto your undergraduate course is set by the University. Please refer to the progression requirements for your undergraduate course and the University's terms and conditions, which can be found on the University's website, before accepting your offer.

All degree courses and progression requirements are subject to change and all applications to the University require an application to be made through UCAS.

You will be guaranteed a conditional offer on a University of Manchester degree course in a subject relating to your International Foundation.

Your progression to The University of Manchester will require you to meet the specific published criteria for your chosen undergraduate course.

Additional Information

This offer has been made with the understanding that the applicant has not previously studied in the UK on a student Route/Tier 4 visa, or had a previous UK visa refusal. If this is incorrect, we may not be able to progress your application.

A further detailed assessment will be carried out when you accept your offer.

Please refer to the Pro Forma Invoice of Fees attached to this letter for details regarding the dates and prices contained in this offer. Please refer to the INTOStudy website (www.intostudy.com) for the latest course information and relevant modules.

We look forward to hearing from you soon.

Yours sincerely,

Dawn Abbott, Centre Director
INTO Manchester

Accommodation

Students studying at INTO Manchester who require accommodation must complete and return an Accommodation Preference Form, that can be found by clicking this link:

<http://into.courses/manchesteraccommodation>

I understand and agree to any applicable accommodation fee cancellation charges as set out in the terms and conditions <http://www.intostudy.com/into-manchester/terms> and that my accommodation will only be confirmed when I have made my initial payment and received confirmation that the room I have requested is available. I also understand that I will be sent a copy of the accommodation terms and conditions separately and am required to agree to them before I occupy the accommodation.

Terms and Conditions

I accept the offer of a place on the above course(s) during the dates indicated. I have read and understood the Terms and Conditions, that can be found at: <http://www.intostudy.com/into-manchester/terms> (the **Terms and Conditions**) and hereby agree to them.

I agree to abide by the Terms and Conditions and to pay promptly all fees due to INTO Manchester. The initial payment is refundable in the event that a student is unable to meet the visa entry requirements, subject to the receipt of an appropriate visa rejection letter and within the timeframes as laid out in the Terms and Conditions. Please refer to the Terms and Conditions for the appropriate time frames for submitting this documentation. Fees are non-refundable except where students have acted in accordance with the Cancellation Policy which is outlined in the Terms and Conditions

I am aware that my English language level will be reassessed on arrival at INTO Manchester and if I do not meet the minimum English language criteria, I may be required to revise my programme of study accordingly. Or if I am on a Student Route visa and my level is below the UKVI's minimum standard, I may have to return home.

I understand that I need to provide and have access to a suitable personal computer, IT equipment and facilities. The current equipment and system requirements for INTO Manchester are published here: <https://help.intostudy.com/support/solutions/26000014479>

Through our charity INTO Giving, INTO students, teachers and friends have raised more than £1.2 million to help disadvantaged schoolchildren worldwide. Now is your chance to help too.

When you add a donation to your INTO invoice, INTO Giving will double it by matching your donation. For example, if you donate £30, INTO Giving will send £60 to help a disadvantaged schoolchild. To see who and where your donation will help, visit the www.into-giving.com/global-projects. Thank you!

Will you give a schoolchild the gift of education today? Tick the box for amount you would like to donate.

- £22 can help provide a child classroom materials and school food
- £30 can help provide a child with IT training
- £50 can help provide a child's school fees
