Subject: **Mr. AHMED MUSA MADKHALI**

This is a support letter to AHMED MADKHALI, a recent graduate from (Bachelor of Science in Industrial Engineering) program at the Department of Industrial Engineering, Faculty of Engineering Rabigh, King Abdulaziz University. He was one of my students in the courses titled: supply chine and engineering design where he performed very well.

I believe AHMED is a hardworking, persistent, ambitious student with a strong aptitude for a master's degree. AHMED has expressed to me that he is very keen to undertake a master's degree in the field of (Industrial Engineering). I strongly support his desire to undertake the Master of Industrial Engineering and I believe he has the capability to undertake this program. Therefore, I recommend him for graduate studies or professional career in Industrial Engineering or any other related field
