

# Recommendation Letter

## **To Whome It May Concern**

Mr. RADWAN MOHAMED ABU HARAM was my student at yanbu industrial college in chemical engineering department. He was in my classes in the academic years 2021 to 2022 in the courses CMET 205 “Mass Transfer Operations” and CMET 204 “Instrumentation and Process Control”. I recommend him to continue his study for bachelor degree since he has excellent knowledge, excellent attitude, hardworker, team worker, and eager to learn.
