## Candidate Statement of Provisional Results and Certificates

A Candidate Statement of Provisional Results is issued on results day to outline a learner's achievement. The grades have been awarded but are provisional until the deadline for post-results services (including review of marking requests) has passed and any requests submitted have been processed. Pearson reserves the right to amend the information given on the Candidate Statement of Provisional Results.

A certificate confirming final achievement will be sent to exam centres, where appropriate. Learners need to collect their certificate from their exam centre within 12 months of the issue date.

## Pearson Edexcel International AS and A level qualifications

Results for our Edexcel International AS and A level qualifications are reported on the scales indicated below:

	Highest Grade				Lowest Grade	
AS	A(a)	B(b)	C(c)	D(d)	E(e)	
A level	A*(a*)	A(a)	B(b)	C(c)	D(d)	E(e)

Learners whose level of achievement is below the minimum standard for the qualification will receive an UNCLASSIFIED U(u) result. Where an UNCLASSIFIED result is received it will not be recorded on a certificate.

NO RESULT	X	indicates that we haven't issued a result because of absence from all parts of the assessment or a decision not to issue a result for any other reason.
PENDING	Q	indicates that no result has been issued as the marks for one or more components of the assessment are unavailable. Learners should contact the Exams Officer at their school, college or learning provider for further details.
	#	indicates the learner was absent from part of the assessment and was awarded zero marks for this part/unit. The result was awarded on the components taken.

## Understanding results and post-results services

Learners with queries about information provided on this statement can find support information at: [qualifications.pearson.com/en/support/support-topics/results-certification/understanding-marks-and-grades/understanding-your-results-information-for-students.html/student](https://qualifications.pearson.com/en/support/support-topics/results-certification/understanding-marks-and-grades/understanding-your-results-information-for-students.html/student)

Grade boundaries showing how many marks were required to achieve each grade can be found at: [qualifications.pearson.com/gradeboundaries](https://qualifications.pearson.com/gradeboundaries)

Information on post-results services available (including our review of marking service) can be found at: [qualifications.pearson.com/en/support/support-topics/results-certification/post-results-services.html/EO](https://qualifications.pearson.com/en/support/support-topics/results-certification/post-results-services.html/EO)

Learners considering a post-results service application should discuss their request with their school or college as applications need to be made through the exam centre used to complete the assessments. The only exception to this rule is where the learner has been registered as a private candidate.

The deadlines given on our website for post-results services are final and we are unable to consider any requests submitted after these dates.
