Achievements and Accreditation

- Accreditation of ISO 17025 of general safety test in mice.
- Accreditation of ISO 17025 of general safety test in guinea pig.
- Accreditation of ISO 17025 of specific toxicity test for diphtheria vaccine.
- Accreditation of ISO 17025 of specific toxicity test for tetanus vaccine.
- Accreditation of ISO 17025 of specific toxicity test for pertussis vaccine.
- Accreditation of ISO 17025 of BCG vaccine.

Upcoming Accreditation

- ⇒ Accreditation of Association for Assessment and Accreditation of Laboratory Animal Care (AAALAC), which is one of the biggest non- profit oversight organization for laboratory animals.
- ⇒ Work on processing for fill the program description for AAALAC accreditation.
- ⇒ ISO 17025 accreditation for laboratory in-vivo testing:
 - Hormone bioassay activity test.
 - Potency test of diphtheria, tetanus, pertussis vaccine.
 - Pyrogen testing.

Activity and Participation

- Participation in Saudi Arabia prolect for meat utilization from sacrificed animals during the pilgrimage September 2016.
- Participation in workshop (MERSCoV): the current challenges and the future prospective, February 2017.
- Participation in faculty of veterinary medicine and society February 2018.
- Participation in world veterinary day 2018.
- Participation world rabies awareness day 2018 and 2019.

Languages

- Arabic: Native.
- English: Fluent.

Personal Skills

- MS office: Expert.
- Team worker.
- Good interpersonal and communication skills.
- Quick learner.
- Highly motivated.
- Time management.
- Assume Responsibility.
