RECOMMENDATION LETTER

TO WHOM IT MAY CONCERN:

It gives me a great pleasure to write a report regarding Suha Mohammed Hassan Zaghfi's work. I am the Head of ER Department of Sabya General Hospital where Ms. Suha had worked. I was impressed with her abilities to relate well to patients. She was clearly ambitious, hard working and takes her responsibilities seriously. Ms. Suha's clinical capacity and professional skills are satisfactory and in accord with the ethical guidelines pertaining to medical practitioner.

I understand she is planning to study abroad to pursue her Master's degree and I have no hesitation in recommending her. I wish her all success in her endeavors.

Dr. Hatem Alrasheed
Head of ER Department
Sabya General Hospital
