College Recommendation Letter

It is with very great pleasure that I write this recommendation for **ALMOHAMMEDSALEH, JALAL JABIR H**. Jalal has a deep passion for learning and has been one of the few exceptionally gifted students that I have encountered in my career as English teacher.

I first encountered Jalal when joined Dhahran High School and taught him three courses which he excelled at all of them among 40 students in class and earned the top score in all exams. Jalal truly impresses me as a student who actively seeks new challenges which support his love for learning.

Overall **ALMOHAMMEDSALEH, JALAL JABIR H** exhibits the quality of a leader as well as a great learner who has had the eagerness for challenging school courses. He is an intelligent, well-rounded individual who challenges himself and actively seeks new opportunities and experiences. He has the determination, maturity and intelligence to succeed in any endeavor and always maintains a positive attitude. His personal achievements show that he is committed to his education and will work hard to achieve his goals. He exudes confidence and has a vivid, outgoing and friendly personality that allows him to get along with others very well in any setting.

I am impressed by his discipline as an independent learner. He is a highly motivated individual with a thirst for knowledge. Jalal would be a superior addition to the student body at any educational institution.

Sincerely,

Hadher Alhokaim, English teacher
