To whom it may concern,

I am pleased to write this letter of recommendation for Monifah Altabyanwy. I have known her as a high school student and had the opportunity to evaluate her competency in various areas. As her English teacher, I witnessed her tremendous growth and development. This improvement came not only in the area of career achievement and leadership, but in maturity and characters as well, she is a student who can be trusted to carry out her responsibilities. She quickly learned to manage her time, worked in group situations under strict deadlines. She is highly professional and exceptionally hard working. She has proved that she has a friendly disposition and considers everyone important for the working of the team that is required to make the school functions.

I recommend her for studies with absolute confidence. For any further information, please do not hesitate to contact me.

Sincerely

Teacher Wafa'a Al Ballaa,
