

Statement of Purpose

I am Sharifah Alanazi. My date of birth is July 20, 1985. I completed my high school in Natural science section at fourth School in Saudi Arabia in arar city.

It's my ambition to study Master degree in Nursing to serve my community better. My dream is to pursue my higher education. Since then I kept reading and surfing the internet for any subject related to this major.

My hope is that your consideration of my file will have a favorable decision. I am confident that appositve decision to my file will definitely change my life forward and put me on the verge of a bright future of which I hope the University will be the main thrust.

Best wishes and regards,

Your prospective student;

Sharifah M Alanazi
