To Whom It May Concern

It is my pleasure to recommend Mr. Abdulrahman Ali Almurayyi for the admission to your graduate school. I am the head of the Department of Foreign Languages at Albaha University. I came to know Abdulrahman as a colleague after I finished my Graduate studies at the University of Delaware and came back to serve as the head of the department. Abdulrahman distinguished himself by showing an exceptionally well thought research plans and I would rank him in the top 5% of his colleagues that I have come to know since I came back from the USA. He is highly intelligent and has good analytical skills.

At a personal level, Abdulrahman is a well-disciplined, industrious employee with a pleasant personality. Throughout the time I have known him, he demonstrated great perseverance and initiative. Not only was he interested in and motivated to learn and benefit from his colleagues' diverse experiences and research, but he also puts great work into assimilating them to his own experience and developing his own ideas about each topic that we discussed.

Abdulrahman is unquestionably an exceptional candidate for graduate study offered by your institution and he would be an extremely positive asset to your program. If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours Sincerely,

Dr. Abdullah Alsaleh
