TO WHOM IT MAY CONCERN

I want to recommend **MR. KHALID SALEH RAMADAN ALANAZI** as an excellent student to enrol in any academic program in your institution; he is known for me during his study years. I find **MR. ALANAZI** excellent in the nursing field and can participate in discussions.

MR. ALANAZI has excellent communication skills and develops his ideas, nursing skills, and teamwork abilities in a well-organized manner. He can achieve his responsibilities, intelligence, and creativity, making him an appropriate student of academic programs. I encourage you to look at his application.

Please feel free to contact me if I can further help.
