TO WHOM IT MAY CONCERN

It is my honor to recommend **KHALID SALEH RAMADAN ALANAZI** for matriculation into the graduate program at your institute. I have had the pleasure to know him for the last six years. What I find most engaging in **KHALID'S** character are his wide-ranging interests outside of his field. He can be quickly engaged in depth discussion. **KHALID'S** broad range of interests speaks well to his potential as nurse, both in bringing a wide range of clinical practice at hand, as well as carrying forward new ideas of interest to nurses.

His combination of intelligence, commitment, perseverance, creativity, and compassionate character will certainly make him a valuable member of any academic program. I encourage you to look favorably upon his application.

Please do not hesitate to contact me if I can further help.

Sincerely,

TALAL ALBADAWI
