CAS DECLARATION - Abdullah Mamdooh A ABU SAUD

This CAS Declaration is to confirm the details that you have provided are correct and relevant and to ensure that you understand the responsibilities when applying for your visa. **Please tick the boxes where you agree and sign below. This CAS Declaration must be signed and returned to the Admissions Centre / Centre Personnel.** Once we receive this declaration **your data will be uploaded to the UKVI system to create your unique CAS Number** that you require for the visa application. If we are only notified of an error in the information contained within this CAS declaration after issuing the CAS number then you may be charged £21.00 for a second CAS.

Please tick just one of the following:

A. I confirm I have informed the Admissions Centre / Centre Personnel of all previous studies in the UK and provided copies of all previous visas for studies in the UK.

OR B. I confirm I have never previously studied in the UK.

Please tick to confirm that you have checked all the details on the CAS statement and you confirm they are all correct.

Please tick to confirm you are fully aware of the Home Office's requirements for your visa application and that you have prepared appropriate and sufficient documents to meet these requirements. These include:

- Valid Passport
- Original Qualification Certificates
- Bank statement/s that meet the requirements
- Secure English Language Test (SELT) e.g. UKVI IELTS (if required)
- Tuberculosis Certificate (if required – see next page)

Please tick to confirm you understand it is your responsibility to keep the Admissions Centre / Centre Personnel updated at all stages of the visa application process including the submission of your visa application, the decision from the Home Office (granted visa/ visa refusal) and any other relevant information (such as any delays in the decision process).

Please tick to confirm you understand the Admissions Centre / Centre Personnel can withdraw its sponsorship and report accordingly to the Home Office if you fail to satisfy any of the points above or have provided any false information in obtaining this CAS.

Please tick to confirm you understand that if you are issued with a Student visa, any errors must be corrected by notifying a member of staff, including any references to working rights.

Under 18s only: please tick to confirm you understand that if you are travelling unaccompanied you must carry your parental consent form with you when you travel to the UK.

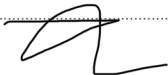

By signing this you are also giving your written permission and consent for us to check directly with UKVI if we have instances when we as the sponsor require details about your application or immigration status.

Please supply an up to date personal email address and telephone number (preferably a mobile number). This is important information that we must have pre-arrival, and should be your contact details, not those of a parent or an agent.
