

RECOMMENDATION LETTER

30/12/2021

It is truly my pleasure to write this recommendation letter to introduce our graduate, a student of mine from our institute.

I knew **Dr. Abdullah Dafer Al Shaharani** as a student from our dental school. He was a good student with great motivation and a strong desire to learn. His academic performance in this school is fair, he graduated from the school in the year 2013 with a GPA of 4.14

As his teacher, clinical supervisor, I am pleased to say Dr. Abdullah is a good clinician. He is knowledgeable, skillful, a good communicator, and has a lot of empathy towards his patient. He was well-liked by his colleagues and superiors and shows modesty in personality with high dignity and integrity. He has no barrier to speaking or writing English and well articulating with his colleagues.

Dr. Abdullah approached me to write this letter on his behalf and I am proud to write for him since he showed a high intention and desire to further his knowledge by pursuing his career in Prosthodontics. He does his best to update his knowledge by attending seminars, conferences, and workshops and reads recent trends in dental practice. I am confident that Dr. Abdullah would perform very well in any program he joins.

For further questions about **Dr. Abdullah Dafer Al Shaharani**, you can contact me through the email provided. I will be more than happy to answer if any more information is needed.
