<p>This recommendation letter is regarding SHURUQ ABDULLAH A ALMALKI, upon her request, to be submitted for graduate studies admission at foreign and national Universities.</p> <p>I supervised her Field Project In Mental Disabil , where she got Grade "A+". During that time, she showed good communication skills, and fast understanding and she was positively interactive. She was also one of the high graded students in the class.</p> <p>I really encourage her to pursue her graduate studies through a M.Sc. Program, since she has all basic skills and high abilities that qualify her to expand her knowledge and to learn how to be involved in a research problem.</p> <p>Best Regards,</p>
