## Reference for Malak Elkadi

To Whom It May Concern,

I am pleased to write a letter of recommendation for Malak Elkadi.

I have known Malak for more than 5 years in my capacity as her Science teacher in Grades 7, 8, 9 and her Biology teacher in Grade 11.

As her teacher, I have had an opportunity to observe her participation and interaction in class to evaluate Malak's knowledge of the subject matter. She is a very good student. Malak has proven that through hard work, follow up, and team work, she can accomplish tasks in a courteous and timely manner.

Malak is an active, gentle and well-behaved student. She is well equipped to overcome challenges.

I have no hesitation in recommending Malak for your university. Please feel free to contact me for further information.

Sincerely,

**Soha Mezher**

**Science and Biology teacher/ Science Coordinator**

**Rahma Thaar**

**Principal**
