Reference for Malak Elkady

To Whom It May Concern,

Malak studied hard to achieve high results in the Chemistry course and to show the best of her work.

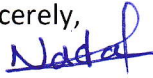

She participates in sharing her ideas in class with her teachers and friends.

She is a well-disciplined and polite student who is always ready to help her friends in all academic and social levels. She is characterized by being mature and responsible.

Malak is well-organized and a sociable student.

She is ambitious and dedicated to learning.

I highly recommend her for admission to your university.

Sincerely,

Nada Rida

Chemistry Teacher and Coordinator
