Reference for Malak Elkady

To Whom It May Concern,

It is with great pleasure that I write this recommendation letter for Malak Elkady to support her application for admission to your respected university. I have known Malak for the past 2 years, and as the Academic Quality Controller, I've had the opportunity to observe her participation and interaction in the class and to evaluate Malak's knowledge of the subject matter. She has excellently performed throughout her years at Abdulaziz International School.

Malak has consistently impressed me as a dedicated student, responsible girl, and genuine friend to her peers. She is proactive in her pursuit of understanding and works hard to excel in everything she does. In comparison with other students in her class, Malak's course selection is demanding. Malak is a hard-working student. She expresses ideas with great clarity and is capable of presenting and persuading arguments logically. She is a person who defines goals and works to accomplish them.

Apart from her academics, Malak possesses many other great qualities that make her an amazing person. She is very friendly and would always help and support all her friends. She is a self-motivated student who knows what she wants from life.

Malak is also a preserving and self-disciplined student. She is reliable.

Therefore, I have a strong opinion that she has integrated the right aptitude to perform well in college. I strongly recommend her for admission in your university.

Malak is also a member in the Student Life Organization. She is involved in different clubs and activities.

Finally, Malak embodies the qualities I consider of a successful individual: maturity, creativity, graciousness and politeness.

Sincerely,

Nadine Abdul Ghani
