

Admission to Simon Fraser University

Thank you for applying to Fraser International College (FIC). This letter is to advise you that you may be eligible for direct admission to SFU.

Please know that proceeding with your FIC application does not prevent you from also applying concurrently for direct admission to Simon Fraser University and we encourage you to do so. Should you accept your FIC offer and subsequently receive an unconditional offer from SFU that you would like to accept, please let us know as soon as possible and FIC will transfer all fees paid to your SFU account.

However, if you do not apply to SFU or do not accept your SFU offer, preferring to accept your FIC offer, you will need to successfully complete your FIC program with minimum 30 credits in applicable courses and meet the required CGPA before you are eligible to transfer to SFU.

If you do not gain direct admission to SFU prior to starting at FIC and for any reason do not wish to continue with your FIC program, your acceptance will be subject to [FIC's refund policy](#).
